Patient Financial Policy

We are committed to providing you with the best possible care, and will help you receive your maximum allowable insurance benefits. However, we need your assistance and your understanding of our payment policy. Your insurance contract is between you, your employer and the insurance company. Not all services are covered by all contracts.

We participate and accept assignment from most major payers, which means covered charges, will be paid directly to us. If we do not participate in your insurance plan, you may still choose to be seen by the practice. As a courtesy to you, we will file a claim with your insurance carrier on your behalf. Any remaining balance will be billed to you once we have received a remittance from your insurance carrier.

Due to current federal and insurance regulations, *all* co-payments are collected at time of service, unless prior arrangements have been made. We accept cash or checks and for your convenience, Visa, MasterCard, Discover, American Express and Debit Card. Additional fees, which typically are not covered by insurance plans will be charged for services such as copying of medical records, and completion of disability forms. A fee of \$30.00 will be charged for checks returned for insufficient funds. Patient agrees that if account is sent to collection they will be responsible for Ashburn Village Chiropractic's costs of collection, including attorney's fees in the amount of 25% of the principal amount outstanding. We encourage you to contact us promptly for assistance in the management of your account. We are here to help you and will be happy to answer any questions you may have about your treatment or account.

Patient Financial Agreement

I hereby authorize Ashburn Village Chiropractic to apply for benefits on my behalf for all services rendered. I certify that the information I have reported with regard to my insurance coverage is correct. I further authorize the release of any information necessary to my insurance company to determine benefits for services rendered. I request that payment of authorized benefits be made payable directly to Ashburn Village Chiropractic on my behalf.

I understand and agree that regardless of my insurance status, I am ultimately responsible for the balance on my account for any professional services rendered. I have read the above Patient Financial Policy and have provided the Practice with true and correct insurance information. I will notify you of any changes in my health insurance coverage.

A copy of this agreement may be used in place of the original.
